

Ventilation

The Board of Management has purchased HEPA filters for each classroom. These will offer another layer of protection against COVID-19. With the season of winter upon us, heating will be on in the school. It is necessary however, to have good circulation of clean air and for this reason windows will be kept open partially throughout the day. Good ventilation will be achieved by opening windows and doors before school and during breaks. During class time windows will be partially opened. Please ensure that your child is dressed in warm layers along with their uniform and tracksuit if required.

COVID-19 Corofin NS Response Plan and Antigen Testing:

When a parent receives a positive Antigen test on their child or a positive PCR COVID-19 test result on their child, they should notify the school. Then please note the following:

1. The school will inform the parents of the other children in the pod. Parents of the children in this pod will be provided with the option to receive free antigen tests for their child from the distribution company, which they will be able to order for delivery to their home.
2. Parents carry out an antigen test for 5 days, every second day until three tests have been done.
3. The children in the pod can continue to attend school as long as they remain asymptomatic and their antigen test results show a negative result.
4. Follow the HSE Isolation guidelines

Application forms for new infants enrolling in September 2022 are now available from the school office and must be returned by **Friday 11th of February 2020.**

“Someone Like me”

Congratulations to our 2nd Class pupil, Elsie Daffy, on being selected as a County winner in this year’s “Someone like me” art competition. This is an amazing achievement. The “Someone Like Me” competition aims to promote disability awareness among primary school children and give them a greater understanding of what unites children of differing abilities. Comhghairdeas to Elsie and to all our pupils who took part in the competition.

French classes for 6th Class began on Friday 14th of January with Rhona Gomes.
